Our Weekends

Please tell us what you did on the weekend. No matter how big or small, exciting or not so exciting.

Does your family have any events coming up? (e.g. family member's birthdays, weddings, religious or cultural celebrations, visiting relatives or family friends.)

Everything parents and families do interest children and these events, no matter how big or small are the best educational resources you can provide for the centre. We use these events in our curriculum/program and the ideas explored from your weekend can last for weeks. This allows you to see firsthand what we do and your child sees that there is a connection between home and the centre. This strengthens the learning link.
